***Bismillahirrahmanirrahim,  
Assalamualaikum warahmatullahi wabarakatuh.***

***Allahu akbar, Allahu akbar, Allahu akbar, Walillahilhamd.***

**My dear UMPians,**

***Alhamdulillah, let us be grateful to Allah Ta'ala for granting us the opportunity to celebrate the first day of Shawwal 1440 Hijra in the state of excellent well-being, security and prosperity in this beloved country of ours, Malaysia.***

**As concerned UMPians, the observance of obligatory fasting throughout the month of Ramadhan should have instilled deep inner realization in ourselves to feel the painful sufferings faced by our fellow brothers and sisters around the world who, due to natural disaster, famine, poverty, economic turmoil, war destruction and political conflict, are struggling hard for their survival.**

**As responsible UMPians, the spirit of Ramadhan should have also inspired us to play a more serious role in championing the noble cause for the sake of *ummah* and society with the strength of knowledge capital that we have here in UMP.**

**As UMPians too, the lessons from our spiritual struggle throughout Ramadhan should also motivate us further to continually strive for our ultimate agenda, that is, glory for UMP. There are a lot of tasks to be accomplished, an obligation to be undertaken responsibly by us, guided by the principles of integrity, dedication and noble values.**

**Therefore, on this significant occasion, I would like to wish a happy and blessed Eidul Fitri 1440 Hijra celebration to all staff, students, alumni and pensioners of UMP, as well as my fellow Moslem brothers and sisters.**

**To err is human, to forgive is divine. *Maaf zahir dan batin.***

***Wabillahi taufiq walhidayah,  
Assalamualaikum warahmatullahi wabarakatuh.***
