Dear Mr. Seen,

With reference to your letter dated 11 March 2011 and Ref. No. JPT (BPP1000/016/032.jld.5 (31), I would like to inform you that in principle all Malaysian universities, public or private, which are recognized by Malaysian Government are recognized by the Turkish Government.

Applications are accepted and assessed individually by the Council of Higher Education of Turkey.

Each year our Embassy sends an updated list of universities recognized by Malaysian Government to the Council for their reference. In this regard, it would be highly appreciated if you could send us a complete and updated list.

Yours sincerely,

Yasin Temizkan
Deputy Chief of Mission
